Commercial Occupancies that have begun construction or installation prior permitting will incur an additional fee equal to the original fee payable directly to the South Montgomery County Fire Department

In accordance with Local Government Code Chapter 352.016, all Fire and Life Safety Inspections in unincorporated Montgomery County must be performed by a Fire Inspector. All code reference has taken from the current adopted editions of the International Fire Code and NFPA 101. The South Montgomery County Fire Department reserves the right to make any changes or errors overlooked in the inspection process, and shall require the corrections of the errors in construction documents, other data, or on-site installation to be fixed.
